Demystifying Local Taxes

Wednesday, April 27 at 7:00 pm
Elmhurst Public Library

Christopher Kain, Assessor for Addison Township
and
Deanna Wilkins, Assessor for York Township

Our speakers will help us understand our local taxes and
guide us through the process of disputing them.

Addison and York Townships include Addison, Bensenville, Elmhurst,
Itasca, Lombard, Oakbrook Terrace, Oak Brook, Villa Park, and
Wood Dale. Portions of Elk Grove Village, Glen Ellyn, Hinsdale
and Westmont are also included.

Please join us for the presentation followed by a question and
answer session. Friends and neighbors are always welcome!

Great Decisions will meet at 1 p.m. on Tuesday, April 12, 2011,
at the home of Barbara Swords. We will discuss Chapter 2, "American
National Security Since 9/11". Chapter 2 will prompt us to think about
issues in this large topic, how perhaps our ideas have changed, to help
us reflect on our past reading et al during these past several years.

We will not have a designated discussion leader. Thus, come prepared
to present your views.

Volunteers Needed for Annual League Phonathon on April 28

For the second year, Elmhurst League members will gather at the home of Jeanne Davik from 6:45 p.m. to 9 p.m. on April 28 to participate in this annual LWVIL fund-raiser. Our League will share in the proceeds. Training, a call script, and calling tip sheet will be supplied to each volunteer participating in the phonathon. Refreshments will be served. Last year's volunteers reported that they had a fun time making the calls. Please contact me to sign on as a volunteer and to arrange car pools to Jeanne's home.

National Study: The Role of the Federal Government in Public Education

It's time to prepare for this compelling study, adopted at the LWVUS convention. We should begin receiving materials from the LWVUS in May and we will have until November to conduct our local study and take consensus. We will need a committee for this activity and a chairman to lead the effort and keep everyone on track. To help you determine your level of participation, the LWVUS is offering a webinar, *How to Conduct a National Study*, on Thursday, April 21st at 2:00pm Central. Click here to sign up:
