LWVUSEF has incorporated new software into the "On Your Ballot" section of VOTE411. This online tool allows LWVIL to publish an online Voters' Guide for all the state constitutional offices, US Senate, US Congressmen, all state representatives and the state senate districts that are up for election in an easy-to-

use electronic format. 302 Invitations to participate in this voters guide were just emailed and USPS mailed to the candidates. We hope that many of these candidates will answer the 4 to 8 questions that have been submitted to them. This voters guide should "go live" by the time early voting starts (Oct. 12). Check out vote411.org before voting this fall!

Illinois Student Vote Mock Elections

The DuPage Election Commission committed to having mock elections, using the authentic equipment, at 20 DuPage High School Oct. 5, 6, or 7, 2010. Due to time teacher constraints and general disinterest in this upcoming election, only 13 high schools have agreed to participate. The Elmhurst League will be helping at Addison Trail(10/5), Glenbard East (10/7), Westmont (10/5) and York (10/7 – lunch time only)High Schools. Thanks to Gail and Kati Anderson, Jeanne Davik, Maria Hirsch, Charles Mueller, Lisa O'Halloran and Nina Pulliam for helping at these schools. Our hope is to help students become comfortable with the election process so that they will become lifelong voters. If anyone else would be available to help at any of these schools (other than York), please contact Jan Dorner.
